

## *Thinking about buying a home?*

Did you know that CrossView Property Management all started with CrossView Realty? If at any time you decide you are ready to purchase a home of your own, we have professional agents here who would love to assist you in the buying process.

- There is NO cost to you.
- All homes in the MLS are listed on our website for you to view. (Be careful when looking at websites like realtor.com, Zillow, etc. If you click a button to view a home or ask a question it will send your information to multiple realtors who will start calling you.)
- Want to know what you can qualify for? Interested in a first-time home buyer program? Need help on credit repair? We have lenders we can recommend that will answer all your loan questions.
